**Z.H. v. Greece**

Dear Madam,

I acknowledge receipt of your correspondence of 9 December 2019 requesting the European Court of Human Rights for interim measures under Rule 39 of the Rules of Court.

**Reference for further correspondence**

The file has been given the above number which you must refer to in any further correspondence relating to this case.

**Decision on interim measure concerning the applicants' request to accommodate them according to their special needs**

On 10 December 2019, the Court (the duty judge) decided, in the interests of the parties and the proper conduct of the proceedings before it under Rule 39, to request the Greek authorities to guarantee to the applicants living conditions compatible with their state of health.

The parties' attention is drawn to the fact that failure of a Contracting State to comply with a measure indicated under Rule 39 may entail a breach of Article 34 of the Convention. In this connection, reference is made to paragraphs 128 and 129 of the Grand Chamber judgment of 4 February 2005 in the case of *Mamatkulov and Askarov v. Turkey* (applications nos. 46827/99 and 46951/99) as well as point 5 of the operative part.

**Decision on interim measure concerning the applicants' request to facilitate the family reunion with the applicants' husband and father to Sweden**

On 10 December 2019 the Court (the duty judge) decided not to indicate to the Government of Greece, under Rule 39 of the Rules of Court, the interim measures you are seeking.

**Priority**

The Court further decided to give priority to the application under Rule 41.

**Anonymity and confidentiality**

The Court has decided, under Rule 47 § 4, not to disclose the applicants' identities to the public. In all public documents of the Court the applicants will accordingly be referred to by the letters of the alphabet used in the reference at the head of this letter.

In accordance with the above decision, any documents deposited with the Registry in which the said applicants' names appear or which could otherwise easily lead to their identification should not be made accessible to the public (Rule 33 § 1 of the Rules of Court) and shall remain confidential.

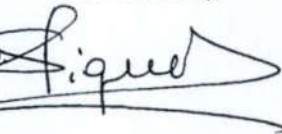

**Application form**

In order to complete the file, you must send to the Court by **20 December 2019** the original of the application form duly completed together with copies of all relevant documents. **Please note that if you send original documents, they will not be returned to you by the Court.** If no such information is received by the above date, the application may be struck out of the list of cases without further notice.

**Barcode labels**

Please find enclosed a set of barcode labels which you should stick on the top right-hand corner of the **first page** of any correspondence sent to the Registry in relation to the present case.

Yours faithfully,

P.D.
